CONYERS, GA (June 6, 2018) – Unified Brands announced today that it will restructure pricing for many of its product lines. Included in this action is a reset of list prices and discount programs for the Groen, Randell and Avtec brands effective July 2, 2018.

The company also announced that a modification to the minimum advertised pricing (MAP) program published for Groen and Randell will be made in conjunction with the price restructuring.

“These actions are just one element of commitment to our vision – which is to cultivate collaborative partnerships and enhance experiences,” said John Davis, Vice President of Marketing & Product Management. “As a result, we expect we will improve our competitive position in a rapidly changing business environment.”
