EG America partners with DAV to support veterans this November

ERLANGER, Ky. – For the fifth consecutive year, EG America is launching a campaign throughout its 1,600+ convenience stores to raise funds for DAV (Disabled American Veterans), a nonprofit organization that provides a lifetime of support to veterans of all generations and their families.

Throughout November, guests of EG America convenience stores can donate $1, $5 or an amount of their choosing to DAV during checkout. The convenience stores participating in the campaign include Cumberland Farms, Certified Oil, Fastrac, Kwik Shop, Loaf ‘N Jug, Minit Mart, Quik Stop, Sprint Food Stores, Tom Thumb and Turkey Hill.

“EG America is honored to renew our partnership with DAV for the fifth consecutive year, raising funds to drive meaningful support for our nation’s veterans,” said John Carey, president of EG America. “This November, we invite our guests to join us in raising $250,000 to bolster the critical programs and services DAV offers to those who bravely served our country.”

Through donations, DAV provides a range of programs, such as benefits assistance, transportation to and from VA medical appointments, and more at no cost.

"We are immensely thankful for EG America’s commitment to DAV’s mission of empowering our nation’s disabled heroes and their families,” said Barry Jesinoski, CEO and national adjutant of DAV. “Since our partnership began, EG America and their generous guests have donated nearly $3 million to support ill and injured veterans. We are tremendously grateful for their kindness."

About DAV
DAV empowers veterans to lead high-quality lives with respect and dignity. It is dedicated to a single purpose: keeping our promise to America’s veterans. DAV does this by ensuring that veterans and their families can access the full range of benefits available to them, fighting for the interests of America’s injured heroes on Capitol Hill, providing employment resources to veterans and their families, and educating the public about the great sacrifices and needs of veterans transitioning back to civilian life. DAV, a nonprofit organization with more than 1 million members, was founded in 1920 and chartered by the U.S. Congress in 1932. Learn more at DAV.org.
