Just Dropping: SLIME LICKER® DROPS

Indianapolis, IN – Introducing **Slime Licker Drops®**, one of the latest additions to the Toxic Waste® brand! This fun-sized treat features the same liquid candy as its predecessor, the Slime Licker, providing a new consumption experience – even coloring your tongue! Drop it directly on your tongue or try it on your favorite dessert; these Slime Licker Drops, with leak-proof packaging, are sure to add a tangy touch.

Set at a lower price point, the .8 fl. oz. Slime Licker Drops aims to usher in a new demographic of sour candy lovers who yearn for the latest innovations at an affordable price. Each 30-count display features a mix of Strawberry and Blue Razz flavors. With each unit having an SRP of \$1.29, the Slime Licker Drops are a tangy treat for all to eat.
