

## **Casey's General Stores Selects FLEETCOR to Manage its Commercial Fuel Card Program**

**PEACHTREE CORNERS, Ga – June 13, 2018** – [FLEETCOR Technologies, Inc.](#) (NYSE: FLT), a leading global provider of commercial payment solutions, announced today that it has entered into a contract with Casey's General Stores, Inc., the fourth largest convenience store chain in the United States. Through the agreement, FLEETCOR will manage the private-label corporate fuel card program for all of Casey's retail locations nationwide.

Casey's General Stores owns and operates a chain of 2,074 convenience stores spanning sixteen states that deliver quality gasoline and freshly-prepared foods to customers. Under the agreement, FLEETCOR will manage and provide a variety of services supporting Casey's General Store-branded fuel card from initial sales to back-end system processing, billing and customer service. FLEETCOR will begin selling the product to new commercial card customers immediately and will convert Casey's existing commercial card customers to the new program in the fall.

"We're thrilled that Casey's selected us to be their exclusive fuel card partner," said Ron Clarke, FLEETCOR Chairman and CEO. "We look forward to a long, successful relationship with Casey's as the company continues to expand its presence in the commercial fuel space."

"The new commercial fuel card program with FLEETCOR provides our customers enhanced capabilities and convenience," said Terry Handley, CEO. "We're certain that this partnership will help us scale and grow our fuel card business."
