

White Bison Coffee Is Here With New Winter Flavors

The colder it is outside, the more we love hot coffee! [White Bison Coffee](#) is here to keep you warm this season with its new winter flavors, now available throughout [Middle TN and North AL](#).

Offerings include:

- **Cinnamon Beehive Latte:** Whether guests prefer hot or iced, this classic limited-time offering returns to White Bison with the unmistakable flavors of honey paired with a heavy dose of cinnamon!
- **Vanilla Rooibos Tea Latte:** It's tea season, and White Bison has brought back this hot Rooibos caffeine-free option. Guests will feel relaxed with the strong notes of vanilla with honey and caramel.
- **Honey Nut Macchiato:** White Bison is thrilled to introduce this new approach to the macchiato. It is sure to become a guest favorite with espresso on top and a hatch pattern of real honey drizzle. Enjoy the taste of espresso and honey while the milk picks up notes of salty caramel, roasted hazelnut and vanilla.
