

LTI welcomes Shawn Nicholas as financial controller

JONESBORO, GA – May 17, 2022 – LTI, Inc., a leading manufacturer and designer of modular and custom serving counters, fabrication, and advanced serving technologies, recently hired Shawn Nicholas to serve as financial controller for the organization.

Nicholas will transition to assume the responsibilities previously overseen by Michael Moody, chief financial officer for LTI, who is retiring from the organization this year. As financial controller, Nicholas will be responsible for leading the overall financial direction of LTI. His diverse experience spans multiple industries, including cooling systems and compressors, light manufacturing and distribution, outdoor furniture, software technology, wholesale distribution, and public accounting.

“We’re very excited about the wealth of knowledge and experience Shawn brings to us and believe his leadership qualities will be an asset to LTI,” said Ben Casey, president and CEO of LTI. “We look forward to collaborating with him in the spirit of our strong family tradition of quality products and excellent service.”

A graduate of Auburn University of Alabama, Nicholas brings more than 28 years of financial and operational experience to the organization, including previous responsibilities such as general accounting, financial analysis and leadership, project management and plant management.

About LTI, Inc.

LTI is a third-generation family owned and operated foodservice equipment manufacturer located in Jonesboro, Georgia. With an emphasis on solid engineering and innovative design, LTI is an established leader in food serving solutions. Custom fabrication and counterwork combined with cutting-edge serving technologies give customers the solutions they need. LTI was founded in 1947 and continues its commitment of creating high-quality, American-made products built with superior craftsmanship. LTI is changing how food is served.
