WEBINAR

How You Can Avoid Being Amazoned

REGISTER

Free Webinar from Paytronix
Tuesday, February 18 @ 1 pm ET

It's no surprise that Amazon's industry disruption extends way beyond retail. As a result, many in the restaurant industry are scrambling to find ways to overcome the tech giant's growing impact on dining out. In this webinar, you'll hear how Amazon is threatening the restaurant industry and how you can counter its attack by capitalizing on the company's presence.

Here's a sample of what we will cover:

- Amazon's growing impact on the restaurant industry – what you need to know
- How to turn Amazon from a threat into an opportunity
- What tools will you need to grow in the era of Amazon
- How to leverage technology to enhance the customer experience

Don't miss this chance to learn more about how you can adapt, register today!
