FREMONT, NE (5/5/2022) – Cubby's Inc., is pleased to announce that it has finalized the acquisition of Brady's Meats & Foods location in Fremont, Nebraska.

"I am excited to bring Brady's into the Cubby's family as our seventh grocery store location. We look forward to making it even better so that we can serve the needs of our customers", says De Lone Wilson, President of Cubby's Inc. "Jeff Alderson has built a wonderful presence in Fremont and we hope to continue in the tradition that he started and hopefully make it even more exciting for the people of Fremont."
