Ascentium Capital Announces New Sales Office in Scottsdale, Arizona

KINGWOOD, Texas, June 27, 2018 - [Ascentium Capital LLC](#), an award-winning commercial lender, responds to the strong demand for the Company's finance offering and announces the opening of a new office in Scottsdale, Arizona. The facility provides capacity to accommodate sales professionals and support personnel. The office officially opened June 18, 2018.

"We are excited to open the Scottsdale office that extends our national sales footprint. We will continue to invest in our in-depth sales training program, Ascentium University, to ensure our new colleagues have a positive and comprehensive onboarding experience," comments Tom Depping, Ascentium Capital's Chief Executive Officer.

This expansion represents the Company's seventh sales location. Additional offices are in California with two locations as well as Michigan, New Hampshire, New Jersey and Texas. Ascentium Capital continues to recruit national sales representatives to support the growth of its vendor and direct divisions.

"We found an exceptional location for the expansion of our sales team as well as a passionate industry professional to lead this new sales team, Craig Colling, Senior Vice President of Sales. The office will have an energetic atmosphere inside and out as its located in the heart of Old Town Scottsdale. This expansion supports our growth and will ensure we keep pace with our clients' needs," remarks Richard Baccaro, Ascentium Capital's Chief Sales and Marketing Officer.

As a direct lender, Ascentium Capital LLC specializes in providing a broad range of financing, leasing and small business loans. The company's offering benefits equipment manufacturers and distributors as well as direct to businesses nationwide. Ascentium Capital is backed by the strength of leading investment firm Warburg Pincus LLC. For more information, please visit [AscentiumCapital.com](#).
