*Travis Sheetz, Nephew of Sheetz Founder Bob Sheetz, to Succeed Brother Joe Sheetz*

**Altoona, PA (December 6, 2021)** — Today [Sheetz](#), a major Mid-Atlantic restaurant and convenience chain, is pleased to announce changes to its organizational structure with Travis Sheetz advancing into the role of President & Chief Executive Officer (CEO). Travis, the nephew of Sheetz founder Bob Sheetz, was previously Sheetz's President & Chief Operating Officer (COO), the first COO in the 69-year history of the company.

In his new role as Executive Vice Chairman, previous CEO Joe Sheetz will continue to support CLI Transport, the dedicated petroleum carrier for Sheetz's stores, as well as the company's Board of Directors, finance and legal departments. The move will become effective in the beginning of January

2022.

“Over the past 69 years, Sheetz has grown dramatically from a small dairy store in Pennsylvania to one of the fastest growing family-owned convenience retailers with more than 600 locations across six states,” said Joe Sheetz. “Through Travis’ leadership, I am confident Sheetz will continue to grow and innovate to not only meet the needs of customers on-the-go but give customers the next level of convenience they didn’t even know existed.”

Travis started at Sheetz as a real estate site selector before spending time as a director in the company’s marketing department. Travis has continued to work his way up in the company, holding roles as Sheetz’s Vice President of Operations and Executive Vice President of Operations before being promoted to President & COO in 2018. He holds a B.S. in Finance from Penn State University and an M.B.A. from Vanderbilt University.

“I am extremely humbled for the opportunity to carry out my Uncle’s mission for this company and ensure the family values he instilled when he founded Sheetz in 1952 continue in the future,” said Travis Sheetz. “I look forward to building on the success and innovation Sheetz exhibited during my brother’s time as CEO. Sheetz will continue to put our people first, bring innovation to our industry and fulfill our vision to create the business that will put the Sheetz as we know it today out of business.”

Sheetz, one of America's fastest-growing family-owned and operated convenience store chains, was founded as a small family business in 1952 when Bob Sheetz purchased one of his father’s dairy stores in Altoona, Pennsylvania.
