**FOR IMMEDIATE RELEASE**

## **LTI announces new partnership with Mirk Group**

**Jonesboro, GA** – November 11, 2021 – LTI, Inc., a leading manufacturer of modular and custom serving counters, fabrication, and advanced serving technologies, has partnered with the new [Mirk Group](#) to serve as manufacturers' representative in Illinois.

“LTI is excited to partner with Mirk Group. Nick was brought up in this business alongside his father, and he is expanding on that experience in new and exciting ways,” said Mike Purcell, LTI’s vice president of sales and marketing. “Their team is made up of industry veterans who are focused on strategic planning and innovation, and we look forward to building a successful future with them.”

Mirk Group was founded this year in Rolling Meadows, Illinois. Firm principal Nick Mirkovich has worked in the foodservice industry for 20 years. Other team members include Cheryl Hodges and Jackie Gomolski.

### **About LTI, Inc.**

LTI is a third-generation family owned and operated foodservice equipment manufacturer located in Jonesboro, Georgia. With an emphasis on solid engineering and innovative design, LTI is an established leader in food serving solutions. Custom fabrication and counterwork combined with cutting-edge serving technologies give customers the solutions they need. LTI was founded in 1947 and continues its commitment of creating high-quality, American-made products built with superior craftsmanship. LTI is changing how food is served.
