Love's and Speedco offering half-off DOT inspections, discounts on Yokohama tires in May

Drivers can save on new tires and prepare for CVSA International Roadcheck

OKLAHOMA CITY, April 24, 2024 – [Love's Travel Stops](#) is helping professional drivers save money and get ready for the [Commercial Vehicle Safety Alliance \(CVSA\) International Roadcheck](#) next month by offering discounts on select services across the nation's largest over-the-road truck maintenance network. During the month of May, more than 430 Love's Truck Care and Speedco locations will offer half-off Department of Transportation (DOT) inspections (up to a \$45 value) and \$80 off per tire when purchasing Yokohama tires. These locations also offer free visual inspections year-round with any service. This offer is not valid for fleet service agreements.

"Getting pulled over during a time of heavy DOT enforcement can be costly and time consuming, and we want to help prevent that while keeping drivers safe," said Eric Daniels, Love's vice president of total truck care. "Our DOT inspection and tire deals are just another way we're providing more value for customers while they're keeping a close eye on their expenses."

The CVSA International Roadcheck takes place May 14-16, as CVSA-certified officials prepare to inspect commercial motor vehicles and drivers across North America. This year's Roadcheck enforcement will focus on tractor protections systems and alcohol and controlled substance possession.

Through partnerships with Daimler Truck North America and Navistar, Love's Truck Care and Speedco network is the exclusive light mechanical warranty repair provider for [Freightliner](#) and [International](#) trucks.
