T&S’ Mike Snyder Promoted to National Account Role

TRAVELERS REST, S.C. – August 25, 2020 – T&S Brass and Bronze Works, a leading manufacturer of innovative foodservice and commercial plumbing products, has promoted Mike Snyder to the role of national account manager – foodservice.

Snyder, who has more than 25 years of foodservice experience, is responsible for managing strategic relationships with the top U.S.-based national restaurant chains as well as the grocery and convenience store market segments.

“Mike understands chain restaurant operations and knows how to find creative solutions for their needs — like helping them fulfill the hands-free initiatives that nearly every chain has instituted in the wake of the coronavirus pandemic,” said Mike Orlando, director of foodservice sales for T&S. “Mike’s knowledge will offer critical support and insight to T&S customers.”

Snyder’s previous role at T&S was as East Coast regional sales manager. Prior to joining T&S, he spent nearly 20 years as a manufacturer’s representative with South Eastern Manufacturers’
Agents (SEMA), where he developed an extensive knowledge of T&S products. He also previously served as Eastern regional sales manager for Server Products.

**About T&S Brass**
T&S Brass and Bronze Works, Inc. has been a leader in providing innovative equipment solutions to the foodservice and plumbing industries for more than 70 years — since 1947 — when it developed the first pre-rinse unit. Today, with facilities on the east and west coasts of the U.S., in Shanghai, China and in Europe, T&S leads the way in environmental initiatives from eco-friendly manufacturing processes to development of award-winning water- and energy-conserving products. T&S is among the first commercial plumbing manufacturers to be registered by UL to ISO 9001 Certification, the most stringent a corporation can receive. For more information, go to www.tsbrass.com.
