### **ADD Systems Awarded NJBIZ Best Places to Work in NJ Distinction**

**Flanders, New Jersey, May 3, 2018** – ADD Systems is proud to announce its placement in the 2018 Best Places to Work in New Jersey list.

This awards program “*recognizes and honors the state’s top employers who show a dedication to their employees’ professional growth and quality of life.*” ADD Systems is thrilled to be part of this group and eager to continue to improve and enhance the lives of its employees and their families.

Among medium-sized companies, those with 50-249 employees, ADD Systems placed at #27 on the list of best places to work in the state.

Gale Bott, Secretary/Treasurer of ADD Systems and wife of founder, Bruce A. Bott, said, “ADD Systems, at its core, is a family business with family values. ADD is successful because of our attention to relationships, and one of the most important relationships we have is with our employees. We are honored, not only by this award, but by the commitment from our employee family every day.”

Rob Culbertson, Senior VP and COO, added “In my 40 years at ADD Systems, we’ve worked very hard to create a work environment where everyone feels valued, and part of a family. Our dedication to our employees is reflected in our employees’ dedication to providing the best products and service to our clients.”

ADD Systems is proud to share this distinction with other NJ-based companies, such as convenience store chain, QuickChek, the New York Jets, AmeriHealth New Jersey, and iCIMS.
