### **Warm Chips, Melty Cheese, Instant Gratification – Introducing Nachos Now™**

Craving nachos? Now, there's a new vending system that's transforming nachos as you know it. Gold Medal is pleased to announce the launch of Nachos Now. This revolutionary nacho vending machine delivers warm, crispy chips and creamy, melty cheese at the push of a button.

Built for convenience, Nachos Now provides the ultimate customer experience. Customers can dispense nacho chips and cheese at a user-friendly self-serve station. Mess-free and highly efficient, it satisfies the needs of operators and customers alike. Customers enjoy a fast and fresh snack while operators benefit from labor savings, improved hygiene, and minimal maintenance.

Nachos Now is engineered with the following features:

- **Push-button dispensing** for chips and cheese
- **Forced air crisping system** to keep chips warm and crunchy
- **Heated cheese reservoir** for warm, consistent cheese flow
- **Removable chip pan** for easy cleaning
- **LED lighting** to attract attention and drive impulse sales
- **Optional base** for flexible placement

“Nachos Now is about solving problems for operators like speed of service, staffing limitations, and customer satisfaction. Nachos Now isn’t just a piece of equipment, it’s a game-changer for your business,” says Gold Medal president, Adam Browning.

Nachos Now is ideal for high-traffic venues such as stadiums, arenas, movie theaters, grocery stores, bars, and more.
