

MAX YOUR NACS

2022 Renewal Process

We're excited to offer an upgraded renewal process in 2022. Just two simple steps and it all starts with a click!

Visit www.convenience.org/renew

Step 1: Complete your online renewal form!

There are only two pages to complete.

1. Confirm who from your company is our primary account contact, and add an optional Dues Contact if you'd like.
2. Submit your updated store counts and sales figures. Your dues are calculated on these figures, so be sure to update this to avoid paying incorrect dues. All retailer dues schedules are available on the reverse side of this letter.

Step 2: Pay your Dues!

In 2022, we are now offering enhanced payment options!

1. Pay by ACH – Electronic Transfer by entering your direct bank draft information on the secure payment site.
2. Receive an invoice by selecting the “Bill Me” option, which will send a printable invoice to your email and post an updated invoice to the My Invoices section of your user profile. Then, you can send a check or other payment as needed.
3. Pay by credit card is available for payments under \$10,000.

Thank you for your continued membership, and here's to a safe and prosperous 2022!
