2018 Trade Press Exhibitor Benefit Program Application

Due to the unique relationship and role that the trade press plays in industry affairs, most trade associations of similar scope to NACS either do not permit the trade press to be association members or they have a special class of membership for the trade press with limited benefits. All associations of substance have well developed trade press editorial policies. Very few trade associations allow the trade press to serve in their governance structures.

NACS has adopted a comprehensive Trade Press Editorial Policy and has created two Trade Press Exhibitor Benefit Programs to provide levels of benefits to trade press that desire an association relationship beyond editorial activities principally involving exhibiting at NACS events. We have elected to discontinue trade press supplier membership and to implement these programs instead of creating separate membership classes.

BASE Level Trade Press Exhibitor Benefit Program

Trade press companies that elect to participate at this level pay no annual fee and receive the following benefits:

1. Member expo rates
2. Listing in directories
3. Eligible for purchasing full conference credentials and tickets to special events
4. Free subscription to *NACS Magazine*

PREMIER Level Trade Press Exhibitor Benefit Program

Trade press companies that elect to participate at this level pay an annual fee of \$18,000 and receive the following benefits (in addition to Base Level benefits):

1. Priority booth selection
2. Booth mystery shopping report
3. Advance selection of hotel rooms and Business Appointment Centers
4. Complimentary furniture upgrades for Business Appointment Centers/meeting rooms

6. VIP registration
7. Industry updates via webinars
8. Complimentary NACS State of the Industry report
9. Access for one named individual and one retailer guest (no suppliers permitted) to the Hunter Club Lounge

NOTE: Trade Press are not eligible for membership in the association and will not have access to the following products and services:

1. Access to the NACS Help Desk
2. Attendance to the NACS State of the Industry Summit, Leadership Forum, Convenience Summit – Asia, Convenience Summit – Europe, and other similar NACS events. This is subject to the terms of event-specific collaborative contracts which may allow editorial and/or non-editorial attendance.
