**HOW IS CLEANSTAY UNIQUE?**

While other hotel chains and other industries, like retail and restaurants, are making changes, Hilton is the first to develop a truly holistic cleanliness and disinfection program leveraging trusted experts in health and hygiene. In addition, this program is not limited to guest rooms, but extends across the entire hotel experience - from arrival to departure.

**BUILDING ON AHLA STANDARDS**

Hilton engaged early with the AHLA and helped play a role in crafting their guidelines. Hilton’s CleanStay program meets all of the AHLA standards and will build on them to elevate and mandate the CleanStay program across all of our hotel brands and properties globally in order to meet the expectations of our guests.
