

As we work to rebuild retail, it is critical that we work to mitigate health and safety risks, and to ensure shoppers and employees feel safe in stores.

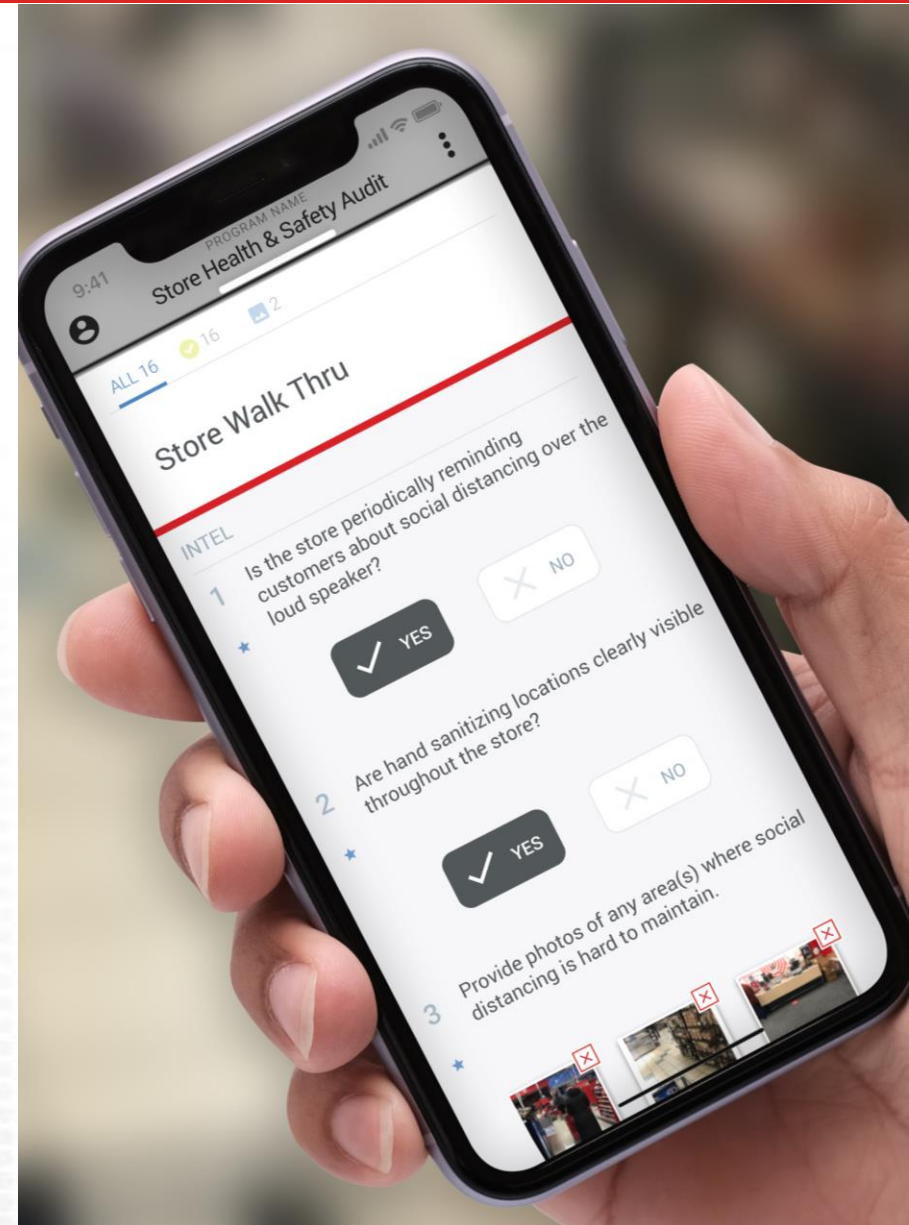

Retail Safety Auditor™

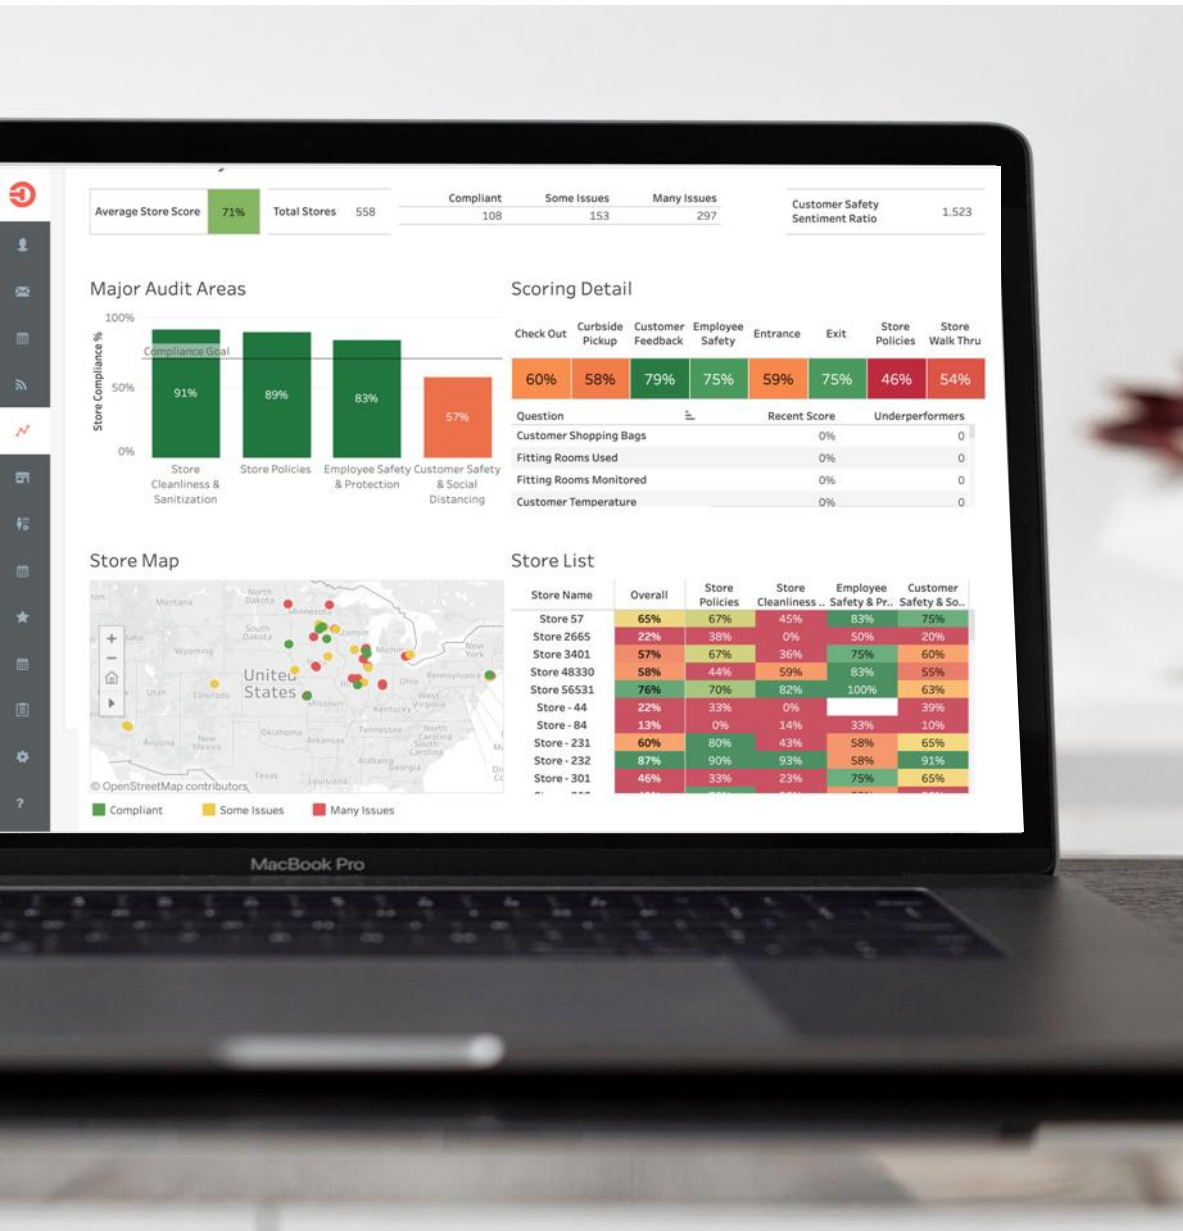

CertSafe™ Representatives

Easy to use mobile app sets stores up for safety success.

- Stay current with CDC, state and local COVID-19 guidelines
- Easy to download, easy to audit using store personnel
- Each store scored instantly

Dashboards pinpoint safety breaches.

- Maps showcase safety hotspots
- Filters make it easy to know which stores are compliant
- Alerts flag issues that need urgent attention.
